2002-2003 Local Planning Councils' Priorities/
County Funding Priorities
State Preschool Program

Alameda Angie Garling (510) 208-9675	The 21 zip codes are designated as first priority for funding. All other zip codes in Alameda County are second priority for funding. Due to the severe lack of subsidized child care for infants and toddlers as compared to preschoolers (see below), priority should be given to serve infants and toddlers in ANY zip code. Priority 1 = 94544 (Hayward), 94603 (Oakland),94605 (Oakland), 94606 (Oakland), 94601 (Oakland), 94621 (Oakland), 94607 (Oakland), 94578 (San Leandro), 94541 (Hayward), 94602 (Oakland), 94538/94577 (Fremont/San Leandro), 94560 (Newark), 94580 (San Lorenzo), 94550 (Livermore), 94587 (Union City), 94609 (Oakland), 94536 (Fremont), 94619 (Oakland), 94551 (Livermore), 94545 (Hayward). Priority 2 = All other areas in this County. Note: There are additional situations in Alameda County that make prioritizing by zip code difficult. First, 94604 is designated as the zip code for homeless Alameda County residents who do not have a permanent mailing address. The level of subsidy-dependent children in this situation is high (699 children), although it is impossible to serve children in this zip code because it doesn't physically exist. Second, the University of California at Berkeley serves 157 children of UC students who do not live in the University's zip code, 94720. Third, Head Start serves 60 children full time at the converted Oakland Army Base at 94626, which has no residents.
